### AGM and Book of Reports..

This year we will be holding the Lobethal Harmony Club AGM on Tuesday March 6th beginning at 7pm. If we have the earlier time would provide us with some time for a short practice and supper afterwards. Could all club members please take a Book of Reports and of course read it with a "passion of eagerness of exploration" to know what is being proposed, and what has happened. We have printed the Book of Reports in Black & white NOT that we barrack for Port Adelaide "dread the thought", but to save on the cost of printing. An Agenda for the AGM will be prepared soon for you. Sooooooooooooooooo happy reading.

Stephen as an Aussie

Last week I mentioned that Stephen was not well. Thankfully Stephen took himself to the Royal Adelaide Hospital via ambulance to be checked out as he was feeling really unwell. He has recovered which is GREAT NEWS. He is still full of prose and many a song. Thankfully I hope you can continue to Harmonise with us.

### Concert Planning committee.....

Our first meeting for 2018, is scheduled to be held next Tuesday February 20th at the Senior citizens hall at 6:45pm. An Agenda and Minutes of the last meeting have been prepared for those involved. The members of the committee are Alan Thompson, Bruce & Marlene Kelly, Darrol & Raylene Magor, John & Sandra Herbig, Paul & Dorothy Staska, Ros & Graham Simmons, and John & Stephnie Wittwer, with Peter Dickason as our adviser, and help. We will look at the composition of the committee as a part of the Agenda at this meeting and bring our suggestions to the AGM..

THANKS to

### Last week.....

Ross Schubert proposed to us to prepare a CD as a part of our 140th celebrations for this year, where we would use a tape that was prepared several years ago, as a way of including those members in our celebrations. Barry Laubsch correctly informed us of the necessity to have all the songs covered for copyright and this process has begun. Ross and Barry have been in touch with APRA who are responsible in giving you a licence after checking the payments we may need to pay for using the songs for a CD. We have received the paper work, and Bruce Kelly has been informed of the songs on the tape, where we need to provide for each track the Composer, or arranger, Copyright owner/Publisher, Recording artist, and Previously recorded by, or made famous by. Bruce is working on this THANKS, we will keep you informed of the progress. Thanks also to Ross, and Barry for their assistance. Hopefully we will have the CD's available during this year when all the copyright details are covered.

### Exec meeting tonight.....

Some of the details we will be discussing are : Copyright responsibilities, Insurance for the trailer and contents of equipment and music, a Membership kit, Publicity with local papers, Concert Program update, 140th celebrations, Bow Tie suggestion and kerchief from Dorothy.
