#### **Well done everyone.....**

*Yes the residents at LHI really enjoyed the concert especially the song "Island in the Sun". This song really had them swinging to the time with real "gusto" especially one resident in his wheel chair had all the movements that gave a new meaning to a wheel chair on 4 wheels.*

*Thanks to all the Uke people Gerry for leading us, Jeff, Helen and Peter you provided the character of the concert, and to all the members who could be a part of the choir. Thank you.*

**Next Concert.....** Will be at the Mt Barker Show on Saturday 24th March 1pm Sound check, 1:30pm Concert. This concert is to promote our 140th and to try to interest other men to join the Lobethal Harmony Club Male Voice Choir. Blue uniform. We will be performing in front of a truck on the oval, the Show society have their PA and electricity that we could use. Bruce requires names of people who may be able to attend, so that "free tickets" can be obtained. Please help our promotion of the club for more members. We will have promotion material to distribute.

**Insurance** last week at the AGM a question was asked re Insurance on vehicles when travelling to a Concert. We would need to have Trade plates for each vehicle. To insure each vehicle would be very costly.. **Thanks**

**John Lowe is now Home.** Just phone Angela's phone, 8388 1965. You may receive a "surprise" as I did when John answered the phone. It was great to speak to him.
