CONTACT WITH CHOR FARMER.....

We have contacted Chor Farmer through Katsutoshi fushimi to provide the Chor Farmer members to aware of some of the arrangements and to encourage them to give their ideas to us.

In regard to the Music to sing with the Chor Farmer choir they have suggested that we send to them several folk songs or songs about Australia that Hiroshi could compose a tune to encompass the words. If you have any suggestions please share them with any members of the Music committee namely, Gerry, John H, Dorothy, Alan, Peter Dickinson, and Bruce K.

They are all looking forward to being with us . Several Chor Farmer members have sent cards to hosts wishing them well, and they hope to stay at their home again this September.

Several members of the Chor Farmer committee are working through the planning for their stay with us

Help..... We have been offered to hold a BBQ at Bunnings on Saturday 5th May. 'Yes', we agreed we will manage the BBQ on the 5th May. If we are to manage this "busy day" we will require numerous members to assist. A roster will be circulated tonight and next week to arrange the personnel .for the BBQ. If you can help it would be really appreciated. We still require funds to supplement our overall income. It is a good place to advertise our Male Voice Choir.

Anzac Day.... We have been invited to attend the Dawn Service at Lobethal. We would be assisting the service, with our PA and joining in with the singing. We have been asked to sing a Hymn. We will find out tonight on how many maybe able to attend. Please note that the Lobethal Harmony Club is trying to assist, the Lobethal Dawn Service.
