Happy Birthday AGAIN Gerry

At 77 you have been an inspiration to us all, with your care for detail when we are singing, and especially when you delegated the lighting of the 77 to a man of talent to get the "sparklers going". Thanks Gerry and Alan.

Soup and Supper

Tonight will be a coffee, tea and biscuit night, which will continue every 2nd week until Tuesday April 24th when the Soup nights will begin for 2018. Graham is working on the Roster, if you have any preferences see Graham. Thanks for your help.

News from the Concert Planning committee.....

The remaining Concerts in October were discussed and we will be confirming all the details to you in the near future. We need to check the venue at Renmark, and Mt Pleasant Shed men. Naracorte appears to be set in place. Information is being currently sent to Port Broughton and Kapunda, who are all very active in having their concerts being advertised.

Chor Farmer We have notified them on 4 occasions about several matters, including when will they be coming. We are still requesting dates when they will be arriving so that we can book the church for the concert. John Herbig is also trying through his contacts, (when he has his computer back and running).

140th celebration The planning for this night was discussed at length, and we have booked the Old Mill at Hahndorf for Friday 22nd June, 6pm for pre dinner drinks and time to view the display, followed by tea, and the program. We decided to invite several choirs Adelaide Plains, Tanunda Liedertafel, Mt Lofty Singers, and Adelaide Metropolitan Male voice choir. We may ask another choir if one of the choirs listed cannot come.

We will be sending a letter from President Alan to the Presidents of the Clubs and Peter will be notifying the Secretaries with more information. **Thanks Concert planning committee for your help**

AGM

NEXT WEEK **MARCH 6th 7pm**
Collect the Agenda tonight.
Bring a plate for Supper please.

Concert at LHI on March 7th.

We have rearranged the style of Concert for this occasion where we will sing in unison with the UKE group for several songs where the audience can be involved. We will also include several Guest artists to provide variation for the Concert. This is a change as we have had to make arrangements due to not having an accompanist for this Concert. Dorothy had notified us of her commitment last year, and we thought we had this covered, but it became 'unstuck', and we will need to improvise.

The concert is at LHI Homes 1215-1217 Grand Junction Road Hope Valley. We need to be there at 1:15pm for a 1:45pm start (Concert for 45mins). Blue jackets. Need to Know the numbers attending next week please. A map will be prepared for you NEXT WEEK as parking at LHI can be difficult. **Thanks for your understanding**

Apra notification.....

On Thursday I received notification from Peter Fenton that they have received our application. This process will take 3 weeks, and then we will be notified of the costs and any other information they may request. It is making progress. Thanks for your patience.

Don't forget the Book of Reports are available don't forget to read it and the AGM is to be held on the 6th March at 7pm. This will possibly allow a brief practice before the Concert at LHI the next day.

Fund Raising Survey.....

Your ideas are important for the Fund raising committee to read and to bring your ideas to be a part of our overall plan for 2018.

The survey is available for you, please fill it in with your suggestions and return it over the next couple of weeks. As Peter Dickason mentioned to me recently, YES we are Fund Raising committee, but usually we are planning where Club members can enjoy a social activity at the range of events that we plan.

We are still thinking of holding the People's choice raffle and our Movie night, please give your comments, and hand your ideas in please, by NEXT WEEK. Thank You.

Come and Try

Our idea has been to hold an ordinary practice where we could invite possible members to come and sing with the Lobethal Harmony Club and enjoy the night, with us. Unfortunately we have not made sufficient promotion at this stage. We will plan this to blend with our concert at the Mt Barker Show, 24th March. Several Come and Try events, could be planned throughout the year.

John Lowe Is now in the Mt Barker Hospital Palliative Care . Peter D called in and saw John and Angela. Thanks Peter. John sends his regards to everyone. If you wish to see him please phone Angela first before visiting John, to see that he could be OK for a visit. Angela's phone is 8388 1965
