Alan Thompson.....

Alan was born a twin with his brother peter in July 1946. He lived a free and happy childhood at Glenelg where my father was a Dental Surgeon. The beach, family and Glenelg Methodist Sunday School and Youth Group featured in my formation, along with chasing girls, the football and tennis.

Schooling at Glenelg Primary School and importantly, Immanuel College at Novar Gardens where I'm still involved in Old scholars and Archives. Here at Immanuel I first met the Schubert's, Schulz, Wittwer's Pfeiffer's and so on!

I experienced four or five careers; oil industry, Insurance, building and share broking but my most satisfying was as an artist painter for eight years. Singing found me late but I always sang....and avoided choirs. I've sung a number solos publicly including churches, at the "Carols in the Bush" and for Con Spirito Singers in Adelaide.

My Mission Statement

To be happy, thankful, grateful. Not grumpy.

To seek, trust and love God,

Love my wife, daughters and granddaughter,

To be a good friend, to help them.

To work, sing, paint, write and to tell stories.

To be quiet and listen.

To go to the beach, bush and the boot often.

Oh! and to keep the shed tidy.

We all wish you and Anne the very best as we all assist the Lobethal Harmony Club in entertaining people ,and creating fellowship amongst our members.
