

# LOBETHAL HARMONY CLUB NEWSLETTER February 6th 2018

Vol 3 No 2

## Welcome back to everyone...

Good to see you again.

We have had a start to 2018 with our involvement at the Adelaide Hills Council Australia Day, which gave the impetus to start the year a little earlier. But we are back tonight with Gerry (the man from USA) who is without an accent and he is ready to set the wheels rolling for the enjoyment we share in singing and providing entertainment to communities.

We hope that you can enjoy the year. We have 2 new members in Luke Zanker, and Peter Bourne who assisted us with the Australia Day involvement. Tonight we have a special supper to enjoy.

### .PUB LUNCH

Will begin this year on  
Thursday 22nd

We thought it was going to be overpowering with temperatures above 40c , fortunately it was very mild with the shade and the sprinkling of rain which made the day truly a day to be remembered. Thanks John H, and Dorothy, and to all the members who joined in on the day. Peter H sent several photos thanks for Peter D in helping me to obtain a copies for you Thanks Peter for your brilliant smile and your positive attitude you give to the Lobethal Harmony Club.
