DON'T FORGET.....

This Sunday 10th April at Auchendorrack Mt Barker for a WELCOME to Alex and Georgina. Remember 12 noon start. We have 29 people coming so far with room for more to attend. If you are contemplating to come please let John (President) know tonight, it will be great for us all to have this opportunity to enjoy the afternoon.

Cost of the meal will be your choice, the club will pay for the first round of drinks for everyone.

All are requested to wear a NAME TAG so that Alex and Georgina can get to know you. It will be good to see everyone again.

SORRY.....

Unfortunately I could not print the Book of Reports in time for you all to read prior to the AGM. A stint in hospital with an infection to my leg, then to my blood stream which effected my heart. My blood pressure was all over the place when I was wired up like a "flashing light". I was a bit worried, but we are OK now.

Soup & Supper roster... Graham has prepared the roster for you to fill in. Thanks. Supper will begin every second Tuesday. Please remember social distancing, and giving a donation. Thank you.

PA system SALE we need to assist the committee to Suggest ideas for the sale of the PA equipment . If you have any ideas let Chris B know.

Pub lunches.....Come along if you wish to have a relaxing time, a good meal, and of course you are amongst the "Lobethal Harmony club aspiring members". The next Pub lunch will be held on the 3rd Sunday in May being the 15th May. Sorry for the change to the April date as we are now welcoming Alex and Georgina on 10th April.

MARNUS LABUSCHAGNE Cricket Pads

Australian Test Cricketer To be auctioned only warn once excellent condition.

Thanks Jeff for organizing the pads

NEW MEMBERS.....

We need to make an effort to contact people, talk to them invite them to a practice, which current members have done in the past. We cannot allow our numbers to "slip away" a real earnest phone up, talking to possible members needs to be done. If you know of anyone please make an effort to encourage them to join us. Several sections of the choir are feeling the "pinch" as we are struggling to reach our performance level to begin concerts again. If you have any suggestions please give the names to John M (Pres) who will arrange for the contacts to be made.

Peoples Choice lottery.....

Unfortunately we did not score a winner this year, but there was a good response for the Lottery from club members, with \$730 raised. Thank you everyone for your support.

Coffee & Soup The roster will be available next week. Sorry for the delay.

AGM.... Thank you for your support in approving the reports as given, with the opportunity to question any information given to be explained by the Exec at a later date. We need to check through the suggestions that are made so that we as a club can work ahead with confidence to adjust to changes that we need to make. Covid has caused problems everywhere and we are not exempt from this problem, but to adopt an attitude that it is too hard, will not realise our goal to provide entertainment to communities.

PA System

Last year we met with Josh who has managed PA systems and he is willing to help us to purchase a new system using "wi-fi" and will fit into a boot of a car, and be equally effective. This PA system will be followed up and reported back to you of our findings.
