Kadina concert Thank you for your help to make the concert at Kadina a real success. The gentleman who welcomed us mentioned to me, that he had heard the Lobethal Harmony club 5 times before our performance on Sunday and he mentioned that our performance was the best. Joylene the lady who organised all the arrangements for the day mentioned that our concert was a great success due to the range of pieces that were sung, and the performance by everyone. We all were impressed by the hospitality that was expressed to us through the friendship, and the food that was provided. Thanks again.

PERFORMANCE

**MOVIE
NIGHT
FRIDAY
Sept 8th**

Movie Night..... THE DATE HAS BEEN CHANGED TO FRIDAY SEPTEMBER 8TH. This has been organised after we discussed with Daniel from the Lobethal Cinema as he has problems of obtaining the film "The Fall of

Figaro". Daniel phoned today, to let me know that things are on the move with Paramount Pictures where they have "emailed" him with information which he has been able to reply to. He said," he was optimistic that soon he will have a reply", we wait with great anticipation so that we venture forward in arranging all the tickets, and posters for the event on Friday Sept 8th. Thank you for your patience.
