Sponsorship..... The Fund Raising committee discussed the possibility of preparing a portfolio that we can use to ask various businesses to support us. We as a committee could see that we need to make a new approach to our finance management. A sponsorship portfolio and accompanying letter have been prepared so that if you can help, by visiting businesses you feel could support us, it would be appreciated.

We have already received \$6,000 from Hughes Construction to assist us this year, which is a great assistance. Thank you.

CHRIS BROWNING HELPING OTHERS

THE CHURCH

From Chris.....Our church at Springhead Lutheran sends a Mission team once a year to Thailand to assist the local churches with building, improving their church property. All the fund-raising is done here in Australia before we go and all members of the team fund their own trip! We usually have a good idea of what we will be doing as there is good communication with the Lutheran Church in Thailand before we travel. The time we spend is approx. 2 weeks, and they also have backup in case there are problems with the original plan. We were in the highlands of Nan area approx. 5kms from the Laos border. We travelled every day from a small town called Ban Sapa up the mountain in a 4 door utility. Then we walked approx. 300 m down to the church location. The work involved brick laying, rendering, window and door fixing and also planned tiling but we ran out of time. Our team numbered 4 and we had another 10 people from other local churches. It was an amazing time.

Fund RaisingThe Fund Raising committee endorsed several directions to raise funds this year. It was agreed that we need to check that we have the support of club members to assist when we hold a BBQ at Bunnings. We have not written to Bunnings as yet until we have your endorsement. We do not know when the Bunnings BBQ will be allocated so when we write to them we need to make it known that we need some time to check that we do not have a Concert planned which could create a problem. The Movie night is planned when we know from the Lobethal Centennial Hall committee if the 31st May will be suitable.

The committee agreed to sell People's Choice Lottery tickets again this year to supplement our funds. If you have any ideas that we could use to assist with our Fund Raising effort it would be appreciated. Please pass your ideas to Graham, Stephen, Fred , Peter (sec) or John W. Thanks for your support.

AGM Is planned to be held on 26th March. A Book of Reports will be prepared and should be ready by 5th March.
