**Report about Alex...** John M received a message from Alex He has some difficulty with his transplant where he needed to go back to the Royal Adelaide Hospital for several days to check his system. He has had some adjustment to his tablets and he is improving. Alex will

be with us on the 20th February to help us work through the itinerary he has prepared for us.

**Fund Raising .....** We need to meet as a Fund Raising committee next week Feb 13th at 6:15pm to work through several matters for planning for this year. A copy of the Agenda for this meeting is on the table for you. We would appreciate if any other members wish to join the committee. We usually only have 2 or 3 meetings a year depending on the planning for an event. Please help if you can.

**Music for 2024....** Alex has prepared for us a list of pieces we can have in our folders. Several new pieces have been copied as well. Please ensure that you have a copy of the LHC Active Repertoire List for 2024, Spanseniye, sodelal, Duh Tvoy blagiy, Song for Athene, and Ave Maria. A Sheet of LHC 2024 Concert repertoire first four pieces support tracks has been prepared for us to help learn our parts. Plastic sheets are available.

**Movie Night.....** From the discussion last year it was suggested to hold a Movie Night earlier in the year Friday May 31st has been selected, but still needs to be confirmed with the Centennial Hall committee. Ideas for films would be welcomed. It appears that we could obtain the suggested film for last year ("The Fall of Figaro") if it is available. Please give your suggestions for a film to any member of the Fund Raising committee, being Graham Simmons, Peter Dickason, Stephen Wilson, Freddy Maiolo, or John Wittwer. Further information will be prepared for you after the Fund Raising committee meeting.
