Lonely?? No one sits near, why?

Why???? I could answer the question by saying all the other tables were occupied, this was the only table that was left vacant. But, my thoughts were centred on the "superb" display the ladies provided at Plympton. This display, the trading table, the afternoon tea were extremely well presented. Why? It would be their resolve to do things very well. In fact all organisations can have the same ethic, to achieve through their organisation. To raise funds for others who are in need. We have a similar ethic where we try to entertain people to help them to raise funds to help their organisation or another charity. Do we make the effort to see that the Lobethal Harmony club is performing at its best? Or coasting? I hope that we remember to give our best when performing for the Lobethal Harmony club.

It was GOOD to see

It was the first concert for Stephen and Derek and they passed with flying colours. We need club members to always include all new members to be a part of the club.

Concert Planning.....

Please note there will be a change to the Renmark concert as we have difficulty in having sufficient numbers at the proposed date to give a good concert. A letter has been sent to Renmark to change the date to Saturday Oct 17th beginning at 7:30pm. This date still needs to be agreed by the Renmark people.

LHI (Hope Valley) Sunday September 12th afternoon 1:30pm start.

All OK at Hope Valley

Pt Pirie Lighthouse Uniting church Sunday 26th September.

Adare Uniting church Victor Harbour 24th October. **Still to be finalized.**

Further details will be checked soon.
