SELL OR NOT?

Our Trailer has only been used on 2 occasions over 2 years.

The Executive discussed the possible sale of the trailer at the last week's meeting, and decided that the decision for the Sale or Not of the Trailer should be made by club members at this years AGM to be held on Tuesday March 29th. Please come with your suggestions to make a decision at the AGM.

We have a PA system that we could replace with a modern PA system which would fit into a boot of a car. Should we sell this and replace it?

The Southern Argus printed this article for us..... Thanks to Alex who modified the article for me, we have been able to receive publicity to assist in helping us to notify the community that we are still functioning as a club. We hope the Mt Barker Courier will include an article this coming week .

From Ray Milczarski Do we members of the Lobethal Harmony club know someone from the Mitcham area of Adelaide who's looking for a tenant to share a house with. My choir master's daughter is studying 2nd year physiotherapy at Uni SA, and in a few months' time her current accommodation will be unsuitable. If you can help contact Ray.

Come and Listen.....

Alex is performing with a men's quartet as a part of the Adelaide fringe. Sunday 13th March at 2:30pm. St Magdalene's Church Moore Street Adelaide. Tickets \$23/\$18 can be prebooked at Frigetix 1300 621 255 .

Pub lunches.....Our first Pub lunch was enjoyed by 12 people at the Great Eastern Hotel on Sunday 27th February. Come along if you wish to have a relaxing time, a good meal, and of course you are amongst the "Lobethal Harmony club aspiring members". The next Pub lunch will be held on the 3rd Sunday March 20th, 1pm. Please let Jeff know if you are planning to come.

Bunnings have given us an opportunity.....

We have been offered an opportunity to hold a BBQ at Bunnings on Sunday 13th March. A schedule has been prepared for you to add your name at a time when you could assist on Sunday March 13th, please help if you can. We MUST have 4 people managing the BBQ for every shift from 8:30am to 5pm.

I need your assistance on the quantity of sausages, bread, and onions for this event. Bunnings suggest as a guide only 30Kg of sausages, 25 loaves of bread, 15Kg of onions. We have ordered this amount previously and had surplus over that required freezing. Should we order less and have someone available to purchase extra sausages if we "run out ". What is your opinion?

We received the letter below this week

Dear Graham,
Thank you and all the choir members that knew Colin for the kind thoughts. The guard of honour was a lovely surprise and much appreciated. A special thank you to those four men. He was very appreciative of the long and interesting life he had. I was disappointed we could not have singing at the funeral.
Best wishes to the Lobethal Harmony Choir enjoy your singing.
