We have the opportunity.....

It was Ross Schubert's idea to have a sign at the front of the Senior Citizens Hall several years ago. We went through the process of receiving approval from the State Heritage authority, only to receive a NO from the Adelaide Hills Council to place the sign on the building. We followed this on to discuss the sign with the Lobethal Centennial Hall committee, and they now have given their support to have this sign to be placed where the Senior Citizens sign has been. The current sign will be removed and ours placed in its position. We need your OK for the sign as shown to be prepared and placed in place. Give your answer by next week March 28th so that we can proceed to have the sign made and erected.

HOW TO CELEBRATE 145 Years as the LOBETHAL HARMONY CLUB

Ideas are wanted for how we can celebrate our 145th Anniversary.

What other Club's are doing..... The Tanunda Liedertafel. The second half of our 2022 rehearsal year was interrupted by a four week break due to COVID from mid July. Notwithstanding the break, some members took the opportunity to sing at a local German Lantern Festival on 23rd July. One major concert for 2022 was held in the Barossa Regional Gallery on 4th December. The concert was well attended. The choir members gathered on 13th Dec, where a little celebration was enjoyed and best wishes for 2023 were shared. Rehearsals have begun on March 7th.
