From Jeff our representative on the South Australian Country Choral Association known as SACCA, attended their meeting and has the following to report. 1. SACCA festival at Victor Harbour in August has been cancelled because of COVID restrictions and difficulty to have a suitable venue to cater for the event. Millicent may take the idea to hold this event with their festival in 2 years time. 2. The revised constitution has been registered. The clause that describes how the distribution of profits from the festivals have been removed and will become policy/bylaws. 3. A scholarship for a male singer is being developed with a bequest from the widow of Ralph Hatcher of Adelaide Plains. The scholarship will have his name Ralph Hatcher to remember him. 4. Tri Booking is a useful booking service for choirs to use and gives an accurate number of attendees in these COVID times. 5. Don Bubner librarian SACCA and Adelaide Plains Male voice choir was awarded Life Membership of SACCA and was presented with his certificate by Matthew Fallon the President. 6. Treasurer moved that the annual fee be reduced to \$25 at the next SACCA meeting in July. This has come about due to having sufficient funds to continue. The secretary requested all choirs to update their officers information. Jeff has informed the secretary of SACCA of Bruce Kelly's illness and leave of absence. The secretary would also like to receive Alex Rose address and phone number. Thank you Jeff.

Last weekI mentioned that we had difficulty of having Alex's profile included in the Mt Barker Courier. I received an email from Scott Murphy a journalist with the Courier that he will be including an article about Alex in a later edition after the election. It was good news to hear, after I had sent an email to him outlining our disappointment with their lack of including "Local News". We wait in anticipation.

Max Duell our Memory
 The Broken Chain
 We little know the day
 God was going to call your name
 In life we loved you dearly
 In death, we do the same

It broke our hearts to lose you,
 You did not go alone.
 For part of us went with you
 The day god called you home.

You left us beautiful memories
 Your love is still our guide
 And although we cannot see you
 You are always at our side.

The Family Chain is broken
 And nothing seems the same
 But as god calls us one by one
 The chain will link again.

To Sell or Not???

We will need to make a decision at the AGM if we keep or sell our trailer. Have you any suggestions?? We need to plan ahead and your opinion is valued. It is well made and if you have any suggestions we as an Exec

would be happy to hear your opinion so that when we meet on Tuesday March 29th we can make a decision. Thanks for your help.

Think about what should we do?????

We have a PA system that we could replace with a modern PA system which would fit into a boot of a car. Should we sell this and replace it?
