The Scholarship winners families... It was a good occasion to share how to manage the Scholarship funds with the parents of the Scholarship winners. Raylene was able to meet the parents and winners to explain the Concert program for 2024. Thanks

Concert Program 24..... We have nearly finalised the program for next year. The Fleurieu choir are happy to arrange a Concert with us on Sunday 21st July. The venue is still to be decided. The other Concert to be finalise is Glynde Aged Care where I will be meeting with Avrill Oates the Convenor of Events committee this Friday at Glynde.

Sale of PA system... Chris has met with Daniel, and it appears that we will be able to make a sale with our old PA system. Chris has also worked that we can assist them with a mobile Mic. Thanks Chris.

Scholarship winners..... Both attend Marryatville High School but did not know each other very well. This has now changed, since the Scholarships.

Report about Alex... John M received a message from Alex yesterday advising him that the kidney transplant went well. He is making some progress as he can leave the RAH tomorrow. The kidney is gradually starting to adjust with the filtering role of the kidney.

Alex mentioned that this can be a normal process that will eventually improve. We ALL wish you well.
