#### THANK YOU ..... LIGHTHOUSE UNITING CHURCH

From the reports I have received from Alex, John M, and Pam Robinson (Office Manager Port Pirie) the Concert went well with 15 men being available, the audience appreciated the overall items, they even requested more singing, with good comments being received where they intimated that they enjoyed the items as well. Thanks were conveyed to the people from Lighthouse for the lunch that was provided. Thanks for everyone for making the effort to be at the concert and especially for your performance.

#### 145th CELEBRATION.....

It has been suggested that at our End of Year concert to be held at St Mark's Lutheran church on 12th November we should have some "touch" with our heritage.

We are open for suggestions from people who have been involved with the "club" to current members, or people who enjoy the singing we share, to make this afternoon a memorable concert where 145 years as a club providing entertainment to communities needs to be recognised.

Each year is an achievement, however to have reached 145 years as a "club" is worth Celebrating. Please give us your ideas of what might be included in the program.

It could be a Power Point focussing on the highlights as a club, several songs that were sung in German to celebrating songs of today,

to decorate some of the church to show how it was, to today, to have a person to read a dialogue while there is a re enactment of some of the happenings of the Lobethal Harmony club.

Welcome again

WE ALL ENJOYED MORNING TEA AT LOBETHAL BAKERY AFTER SETTING UP FOR THE MOVIE NIGHT THANKS EVERYONE

**Fund Raising committee.....** We need to meet on Tuesday October 3rd at 6:15pm. We need to review the Movie Night fund raising activities, supper, auction, raffle, and format of the Movie Night. We need to plan when the Movie Night could be held in 2024, to blend with the current proposed concerts that are planned for 2024. The BBQ at Bunnings needs to be planned with sufficient numbers to man the BBQ.

#### Concert Planning.....

This committee will meet tonight to check on the proposed planned concerts for 2024.

At this stage we have the opportunity to adjust some of the planned concerts provided, it will need to blend with the community where the concert is to be held.

We have contacted a range of places for 2024, from LHI Hope Valley Aged Care, Murray Bridge Uniting Church, Combined Concert with Fleurieu Choir, Maitland Lutheran Parish, Nildottie, and Glynde Retirement village, and our End of Year concert on 3rd November. We still need to arrange for the Movie Night to be included, and to receive a reply from Chor Farmer if they will be resuming their role of providing concerts in Australia, and New Zealand. As we continue to plan we will keep you informed. We have taken into account that we do not have too many long distance concerts. If the need arises where transport is an issue we will endeavour to have a mini bus to assist members.
