ALEX INVITES ALL OF US

As most of you now know, I have polycystic kidney disease. This is a genetic condition which causes cysts to form in the kidneys, reducing kidney function. I was diagnosed as a teenager and am now at the stage they call end stage renal failure. At this stage, the only viable treatments are dialysis or transplant. I'm hoping to have a pre-emptive transplant in early 2023, as long as I find a suitable donor in time.

As a self-employed, freelance musician, I don't have any sick leave entitlements, so to cover living expenses while I recover from the operation, I'm holding a fundraising concert. I'm bringing together a choir of some of Adelaide's finest choral singers to perform Brahms Requiem, with soloists Rosalind Martin and James Scott. In the first part of the concert I'll be performing some Brahms Lieder. It would be wonderful to see you there.

If you aren't able to make it to the concert, but would like to make a donation, this can also be done through the ticketing link. Pilgrim Church, Flinders St, Adelaide
Saturday 5th November, 7pm
