President Alan welcoming and presenting Luke with his badge.

Welcome Luke.....

It is always a pleasure to WELCOME any member to the Lobethal Harmony Club Male Voice Choir. At our AGM, what a better time to welcome Luke as a new member into our Club. Luke was contacted by Alan Thompson, and he has been a regular member at most practices. He is married to Chari-lee and lives at Birdwood. He works at Elders Roseworthy as a Sales Support Officer. His interests are supporting and enjoying the AFL Crows. We really hope that he can continue to be a part of our Club, and we do hope you and your wife can enjoy the happy friendships within the Lobethal Harmony Club.

Next Concert..... Will be at the Mt Barker Show on Saturday 24th March 11:30am, to start in front of the Scoreboard of the oval. We will receive some further information from Bruce at the break tonight.

There is NO PARKING on the oval or the surrounds, we need to park in the streets. We may be able to arrange with St Mark's Lutheran church to use their grounds for parking, this we will know by Wednesday and then we can notify everyone by e-mail. This concert is to promote our 140th and to try to interest other men to join the Lobethal Harmony Club Male Voice Choir. Blue uniform. Please help our promotion of the club for more members. We will have promotion material to distribute.

News from the Concert Planning committee.....

We have notified the over 50's at Keith of your decision to provide an hour Concert on Sunday 23rd September at Keith when we return from Naracoorte, Time, and details of the venue will be prepared for you. We do know that the Keith over 50's are providing a lunch for us.

140th celebration We have booked the Old Mill at Hahndorf for Friday 22nd June, 6pm for pre dinner drinks and time to view the display, followed by tea, and the program. We decided to invite several choirs Adelaide Plains, Tanunda Liedertafel, and Adelaide Metropolitan Male voice choir. We may ask another choir if one of the choirs listed cannot come. A letter from President Alan has been sent to the Presidents of the Clubs and Peter D has notified the Secretaries with more information. **Thanks Concert planning committee for your help**

Next week.. For those members who can make it we will meet at the **Rising Sun at 6:30pm** to sing several German Songs that we are practicing, as a "symbol" of remembering our members of 140 years ago, who formed the Lobethal Harmony Club Male Voice Choir. After singing and photo shot, Blue uniform, we will hold our practice.

Thanks ...A big thank you to Alan and Ross for meeting with the Mount Barker Courier on Monday to provide information about our 140th Celebrations. Also thanks to John M for assisting in organizing the interview .

Insurance last week at the AGM a question was asked re Insurance on vehicles when travelling to a Concert. We would need to have Trade plates for each vehicle. To insure each vehicle would be very costly.. **Thanks for your patience.**

We still, as an Executive, need to look at all the details that have been gathered to be shared at the Executive and then brought to your attention.

We are looking to Insure the Trailer for Fire and Theft, and the contents which includes PA system, the keyboard microphones and sound mixer.

The other area we plan to insure is the sheet music, in the library in the Senior Citizens hall .

We do have copies stored away from the Senior Citizens hall , and we should have the sheet music and the documents covered.

Good fun....Thanks Gerry for being bold in having all of us having a go at singing without the books for several songs. It was amazing that our efforts were commendable, and worth pursuing. further..

Thanks.... Several Club members were able to attend the funeral service and form a guard of "honour" for Clive Auricht who passed away last week. Thank you John Minchin for managing our involvement as a Club. I am sorry if I misled too many Club members when I forgot the correct e-mail address for John. Sorry.

Help.... We have been offered to hold a BBQ at Bunnings on Saturday 5th May. The Fund Raising committee will be discussing the details tonight, however if we are to manage this "busy day" we will require numerous members to assist. We need a roster with 5 people helping. If you can would be really appreciated. We still require funds to supplement our overall income.

Assistance from Rossdale.....Preliminary discussions have been made with Rossdale with the idea of their sponsorship being a part of the Scholarship program. The concept is to provide the "Runners Up" with a \$500 each amount to be used in the same way as for the Scholarship winners.

Rising Sun Provide meals if you would enjoy a meal before we sing at the Rising Sun see J Wittwer for a copy of the Menu.

John Lowe Please .just phone Angela's phone, 8388 1965. You may receive a "surprise" as I did when John answered the phone. It was great to speak to him. Recently he had a "bad night" and spent some time in hospital.
Paul is now home. Good to see you walking
