#### Kapunda Concert a Great Success.

Thank you everyone who attended the Kapunda concert to raise money for blinds to be added to the buildings of the Aged Care community at Kapunda. Anne Richardson mentioned when I spoke to her on Monday that they were thrilled with the Concert and that they should possibly raise \$1,500 profit on the afternoon.

They all enjoyed the "Shearers in Click go the Shears". We will need to have an encore ready in the future. Thanks again for your assistance especially the setting up of the PA system, Thank you for your patience. We will need another Team tomorrow for the Anzac service and at the Mannum concert on Saturday 12th May, 5:30pm.

#### Copyright information.....

I have spoken to Barry L about the questions that APRA were requesting . I listed the details for various tracks in the last Newsletter. I spoke to Barry L about the requests that APRA were making and he felt that the information was really not relevant for the application.

I have contacted Catherine Noar from APRA about the details that she was requesting and I explained that we did not have any Music specifically written for our choir, (for several Tracks) and that we did not know who may have made several Tracks famous when they were composed.

She accepted our response, and so the application will now be passed on to the next group of people at APRA. We wait until they contact us .
