BBQ at Bunnings was a great success

The Master chef

Last year on Monday 9th Dec we held a barbeque at Bunnings where we provided some "Christmas spirit" where "Sir Peter" was in his element. He prepared sausages that were "scrumptious" and even tasted good. Well done Sir Peter, and thanks to everyone who assisted on the day. We raised \$474.25 profit on the day. We were happy with the day considering that it was held on a Monday.

But the day for Sir Peter did not end without some drama where he is very good at providing another view to everything. He lost his car keys, we searched everywhere contacting the RAA, considered driving to Mt Pleasant to get another set of keys, all to no solution until Peter went to where he left them on the back of Witt's ute. It took 45mins of "real drama", to have the plot exposed.

Bob Long has a trailer and pump available to be sold. If you are interested see Bob.

Choir contributes

Bushfire fundraising has stretched internationally with the Japanese male voice choir, Chor Farmer donating more than \$2,000 to the Australian Red Cross.

The choir which has made bi annual visits to the Hills over last six years – on tour with the Lobethal Harmony Club - watched the devastation on television and decided to host a charitable auction (on Australia Day) to help affected residents.

The choir will return to Lobethal for a performance in September with the Harmony Club.

This article was included in last weeks Courier. We had sent photos to be included but that did not eventuate. We were grateful that we could acknowledge the gift to a wider community.

Website

Thanks to Manfred our website will be updated soon, with the concert information included. Thanks Manfred.
