Zoom meetings.....

Have been the opportunity that we have used during this difficult time. Every 2 weeks we could log on and keep ourselves attune to know what has been arranged and to learn some of the music we have. We need to say **THANK YOU** to Peter Dickinson (Deputy) for his purposeful approach to keep the Lobethal Harmony Club members "together" during the Covid shut down. **THANK YOU** Dorothy for assisting us through adapting to play our pieces so that we all could have a practice that enabled us to refresh our memories on the tune of the pieces. Well done everyone.

From last weeks Newsletter. Thanks for this information. I regret I am unable to be with you (World Singing Day) as I am rostered for Steam Ranger that day We will catch up in the future. All the best. Keep on singing. Allan

Geoff Kay from the Ghan.....

Recently Geoff and another member from the Upper Sturt CFS did the Trojans Trek in the Flinders Ranges as a means to help them overcome the trauma associated with the Flinders Chase bush fire on Kangaroo Island. Geoff said that the Trojans Walk has assisted them in providing tools for them to overcome the stress associated with the fire.

*Geoff has been associated with the Upper Sturt CFS for numerous years and his involvement at KI was to save a Tourist centre. When the fire came the extensive heat was so intense that it melted glass requiring the 5 members on the CFS unit to seek shelter in their unit. How they survived is a "miracle" but the stress of the ordeal still lingers on. We all **THANK YOU** Geoff for the effort of the CFS members.*

Just to tell you

Peter Dickason (sec)

Peter has mentioned that he has recovered very well and he is making good progress. This is good news. We also wish Lyn all the very best as she is recovering from a fall and a broken little finger. All the best to both of you. I heard that the dog has a new brightly coloured vest so that she can be seen anywhere in the lounge.

Freddie Maiolo

Is making good progress after his stroke. He had a stint placed in an artery in his neck. He said he looked like a "puffed up toad" for a while. He is very grateful to his son for helping him by sending for the ambulance.

The Macclesfield carols are to be held on Sunday 20th December. They have invited us to sing 3 carols on the night. Can we help?

We have registered and been approved for the

People's Choice Lottery for 2020.

This year the Community Lottery will only be available on line and you will be able to manage this by purchasing tickets to hopefully win the Lottery, and more importantly you assist the Lobethal Harmony Club through buying the tickets.

Last Thursday I received this email from People's Choice.

Hello,

Thanks for registering to be a part of this year's People's Choice Community Lottery! We're excited to see how much money you can raise for your community group.

Guess what- tickets are on sale! This year, the Community Lottery is 100% online which means it's easier than ever to sell tickets.

Peter (sec) will send the email to all of you and to any of your friends just give us their emails. We would like to raise some funds for 2020. Thanks.
