Email from David Burton… ***We did appreciate the choir coming and offering to help with our restoration fundraising in this way. We only charged 50% of our normal fee, after discussing with Graham Simmons. And reducing your normal fee to $200 is certainly a help in this direction. I'm copying this to Joyleen, our Treasurer so she can make the payment. Many thanks to you, Alex and the group, and our very best wishes for your next concerts in Victor Harbor, and St Mark's Mt Barker.***

Interesting...Last week I received 2 letters back that were addressed to girls who auditioned. Unfortunately the address that I was given did not match, the PO Box that I now have been given. The 2 letters contained all the information from the adjudicators, individual photos, and the group photo as shown. I managed to contact one of the girls by phone and she is keen to be involved another year and she thanked the Lobethal Harmony club for giving them the opportunity to compete.

Concert at Adare Victor Harbor...This coming Sunday October 12th we are providing a concert at Adare Uniting Church Victor Harbor. Arrangements have been made to allow setting up at 12:30pm so that our rehearsal can begin at 1pm.

From the Exec meeting.. *We discussed several matters , concert at SACCA, Scholarship, Financial, Chor Farmer and possible reaching people SACCA a concert is being planned for 8th August next year, and we have been asked to give a reply if we could be one of the choirs participating. Several choirs that have normally been involved are not sure if they will be able to participate. We would need to have 2 pieces to sing as a club and several pieces as a mass choir. You are asked to give your opinion if you wish to be involved. SCHOLARSHIPS were mentioned that letters have been sent to the Onkaparinga*
Lion's and Mount Barker Rotary club requesting for an increase with their support for the Scholarships for 2026 to $2,000 each, this would allow us to introduce the Gerry Robets Encouragement award for U/15 students.
