Yes Kim...A keen quiz person who is heard on 8:91 on the Midnight Quiz recently where he rendered a special acknowledgement for the Lobethal Harmony club, together with a song "OLD MAN RIVER" sung with such fervor that the presenter wanted him to sing further songs. Well done Kim . WOW.

Riley Love.. Over the 6 years we have known Riley, he has shown to all of us his ability and love of music. Some of us can remember him when he was 10 years old playing to audition with his grandfather to help to turn the pages of music.

Well done… *Thanks to everyone for your help with the concert. When talking with numerous members of the audience they were impressed with the program thank you Alex.*

Apology.. *At the Strathalbyn concert Graham and myself halved our Concert fee as we felt that we could assist them with their project. I will not do this again as it could set a precedent. We should charge the full fee, and then make a decision to support or not the project. Sorry. I have also apologized to Chris who brought the keyboard on Sunday when we did not need it.*

The Policeman's lot….*Thanks Chris you have given a new dimension to singing this song. We were lucky that the baton was not used in time with the music as it seemed to wander from one club member to another with a clear need to restore ORDER.*

Next Coffee & Tea "Chefs *Total so far $835.60 Thank you. Next Coffee "Chefs" need to be arranged for 14th October. Tonight Graham and Darrol are the "Chefs"*
