Thank you....*Everyone please note we gave a good concert to the audience, and especially to Alex , Dorothy, Chris and others who assisted to shift the keyboard. Your togetherness when we had to manage the move was excellent. At the next concert we will arrange for the venue to be opened at 12:30pm for setting up. Then the practice should begin at 1pm. I have arranged with Adare to have the church open at 12:30pm.*

Thanks....*It was good to see 3 of our new members with the stalwarts, Kim, and Colin to lead the bases with our pieces. Thank you for helping us, David, Fern and Richard.*

Interesting...*I travelled to Faith College last Friday and met with the Music secretary at Faith college. We have been appreciated as a club for what we are providing for young people.*

The Policeman's Life……
They say that every picture tells a story. Has the Police-man's life sung by Chris, become a burden that is mak-ing it hard for him to sing, or is he expressing every word he is singing with great care and emphasis. Either way Chris you did a great job.

Report from Concert Planning...*We discussed the possible program for next year. We have con-certs or activities from Feb to October. There are 2 places to be arranged before our final concert on Nov 9th, where we can hand out the program for you. In Feb, March, and April we would encourage members who can assist to help with singing at different venues to provide entertainment to share our love of singing and to assist possible members to boost our numbers.*

Don't Forget.. *Next Concert at Adare Uniting church on Sunday 12th October. The address is 6 The Dr. McCracken.*

Next Concert….*Will be held on Sunday 12th October at Adare Uniting church at Victor Harbor. Setting up at 12:30pm followed by rehearsal at 1pm, concert at 2pm.*
